6th Grade – Mrs. Frankson

I hope everyone had a great weekend. The ITBS and COGAT Tests are complete and we will now get back to our regular schedule. Yeah!

Wow- there are only 3 weeks left in this grading period. Time is going very fast! We are continuing to work on our Poetry Unit. The students are really do an impressive job. Please make sure your child is bringing their zip drive to school each day. They will need a 12x12 or 8 ½ x11 scrapbook. Most of this will be done in class but there might be some work that needs to be completed at home. This will be a month long project. The results are wonderful. It really allows your child's creative side to shine.

Students need to be practicing their multiplication facts. It is very hard to do the material if they do not have their facts memorized.
