

Prek3 Learning and Growing

On Friday, the kids went home with a red HEB bag. We talked about using reusable bags for groceries. Using reusable bags instead of plastic bags will help reduce trash. Recycling is another way we can help reduce trash. Did you know, cardboard, paper, tin cans and plastics #1 and #2 can be recycled? Help your child be a good steward.

This week we will focus on BUGS.

Theme: Backyard Bugs

Books we will read this week:

Monday—The Grouchy Ladybug

Tuesday - Diary of a Spider

Wednesday - Bring Me A Rock!

Thursday— Ant Cities

Friday - The Bee Tree

Thank you,
Marta Gonzalez
