

2nd Grade News

3/31/17

This week in Science, we continued our study of birds. We really enjoyed when Birds of Prey came to the school!! In Math, we strengthened our subtraction skills. In English, we learned about using commas in a series and practiced our compare and contrast skills. In Social Studies, we finished our chapter on communities and the environment. In Religion, we learned about the Sacraments of Initiation.

New Words:

Father	Offer
Over	Cover
Under	Germ
Herd	Master
Water	Remember
Verb	Feather
Paper	Fern
Cracker	Ever

What We're Learning:

Religion: The Sacraments of Initiation (Baptism, Confirmation, & Eucharist)
Math: 2-digit Subtraction, Using Addition to Check Subtraction
Science: Function & Design of Birds' Nests, Chicks, Owls
English: Compare & Contrast, Venn Diagrams, Using Commas in a Series
Social Studies: Conserving Natural Resources, Transportation

Reminders:

- April 7th – 2nd Grade Fish Fry
- April 7th – Early Release at 1:15pm
- April 10th – Mrs. McHugh Returns 😊

Students will need to learn these definitions and will be tested on them at the end of the week when they are assigned.

1. Finally – after a long time
2. Waterproof – something that doesn't allow water through it
3. Otherwise – if things were different
4. Junior – younger or having a lower rank
5. Slippery – difficult to hold on to
6. Webbed – having skin between the toes
7. Steer – to control the direction in which something is going
8. Whistle – a high musical sound
