## **Spotlight Corner**

As a Religion teacher, I always like to say that Religion is not just another school subject, but a Gospel relationship to be experienced with the kids everyday.

During our Religion time, the students and I have immersed ourselves into the life of Jesus, bringing his teachings into an everyday reality. I am so grateful for the opportunity to journey with these boys and girls as we all get closer and closer to the heart of God.

## Summer Prayer

Creator of all, thank You for summer! Thank You for the warmth of the sun and the increased daylight. Thank You for the beauty I see all around me and for the opportunity to be outside and enjoy Your creation. Thank You for the increased time I have to be with my friends and family, and for the more casual pace of the summer season.

Draw me closer to You this summer. Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of Your presence, and light my path with Your Word and Counsel. As I enjoy Your creation, create in me a pure heart and a hunger and a thirst for You.
