## **Spotlight Corner**

The fifth and sixth grade classes were blessed this past week with a true gift from the Holy Spirit. Mrs. Kristen Busha Straub and Mrs. Valeria Dubourdieu led us in an amazing, faith-filled retreat which took us more deeply into understanding our relationship with God. The day began with Mass, and then we spent the day in the Life House. Both grades were present for the morning activities and then the sixth graders were alone for the afternoon, exploring our identities and how each of us are a creation of God, with beauty beyond compare. Through art, song, prayer, and dance we experienced God's infinite love for each of His people. The day ended with a concluding session where families were invited. Know that your children are truly blessed to attend Holy Cross Catholic School where experiences like this are possible.

Blessings,

Susan Frankson

## **Up Coming Dates**

Wow! The Spring Bazaar has come and gone! HCCS thanks each and every one of you who dedicated your time and talents to make it such a success! Before expenses, it is estimated to be about \$72,000.00 gross. This would not have been possible with out you! Thank you to all families, employees, bidders and buyers for your continued support!

Please return all 2017-2018 registration papers to the school office. If you have already turned in your papers, please make sure your

Holy Cross Catholic School is having their annual Science Fair in May! Teachers have been sharing ideas with the children. Please don't hesitate to ask if you still need ideas. We are looking forward to seeing our budding scientists at work! Projects are to be delivered to the school on May 10 or May 11 by 3:30. Winners will be announced after the Spring Program on Friday. Kindergarten through second grade have the choice of doing a collection or an experiment. Third grade through sixth grades do experiments. (No live animals please) This will count for a science grade under the Tests/Projects category. For 2<sup>nd</sup> through 6<sup>th</sup> grade, this area counts toward 40% of the students' grade. Who will win first, second, or third place???

**Let's Eat!**  
**May 8—12**

- Monday— *Fish Sticks*
- Tuesday— *Bean/Cheese Soft Tacos*
- Wednesday— *Hamburgers*
- Thursday— *Cheese Quesadillas*
- Friday— *Sausage & Mashed Potatoes*
