April 16-20

*Some of the objectives on our newsletter will be the same. I was out for three days with the flu, and much of this I like to teach myself. If a subject is the same, we will be doing it after we finish testing each day.

*This week we are IOWA testing. PLEASE make sure your child is here every day and on time. We will be testing in the morning this week. Also, please make sure your child wears their glasses!

*Spring Bazaar is quickly approaching! This is a big fundraiser and we could use your help with the food, games and more! If you are in need of volunteer hours, this is a great way to get them!!

*We do have school Monday, April 30. This is another bad weather day we have to make up.
