6th Grade – Mrs. Frankson

Christmas is almost here! This will be a super busy, fun week in 6th grade.

Our Science Fair is this week. All projects need to be brought in and set up by December 12-13. The children will explain their project in an interview on Thursday, December 14 to a judge. The interviews will begin first thing in the morning. This means no project can be brought in Thursday morning. Winners will be announced following the Christmas Program on Friday and then the Science Fair will be open for you to visit.

Catholic Schools Week will be here before we know it. It is time to start thinking about those fabulous family projects!!

The Holy Cross Christmas Program is Friday, December 15 at 9:00 a.m. It will be an amazing production!

The class Christmas Party is Friday at 2:00 pm. The room mom will be contacting parents.

Your child should be reading every night. 25 AR points are due by December 13 !!!!

*Attendance is extremely important! Please make sure your child is at school unless ill and is here on time every day. Too many tardies will affect the Perfect Attendance Award (5 tardies = 1 absence.)
