

Birthday Book Club

Celebrate your child's birthday by donating a book to our library!

Make a donation of \$20 to the library and we will purchase a new book – or you can buy a book and bring it to us (preferably hardcover).

The book will be labeled with your child's name and birthday.

Complete this form and attach it to your donation of \$20* (or your purchased book) with "attention librarian". Your child will be allowed to choose from an assortment of books in the library and will be the first to check out that book.
